PROFESSIONAL SUMMARY

Experienced Heavy-Lift Master with uninterrupted service on heavy-lift vessels since 2012, including over **13 years of specialised experience** in heavy-lift and project cargo operations. Promoted to command as **Master** in 2024, with multiple successful contracts on heavy-lift multipurpose and project cargo vessels. Extensive expertise in handling **complex, non-standard and oversized cargoes** worldwide, including heavy-lift loading and discharging operations, stability and ballast management, and precise cargo securing and lashing. Confident in close cooperation with Owners, Charterers, Marine Superintendents, P&I Surveyors and Port Authorities. Safety-oriented leader with calm, decisive judgment under pressure. Actively seeking long-term engagement on heavy-lift / project cargo vessels worldwide.

CORE COMPETENCIES

- Heavy-Lift & Project Cargo Operations
- Cargo Securing, Lashing & Stowage
- ECDIS Operation (Management Level)
- Bridge Team & Resource Management
- Port State Control Inspections
- Liaison — Owners, Charterers & Surveyors
- Stability & Ballast Management
- Voyage Planning & Navigation
- RADAR / ARPA (Management Level)
- ISM / SMS & STCW Compliance
- Emergency Response & Crisis Management
- Heavy-Lift Load / Discharge Operations

KEY ACHIEVEMENTS

›› **Promoted to Master in 2024** — commanding 12,329 DWT heavy-lift multipurpose vessel on worldwide trading routes

›› **Uninterrupted heavy-lift specialisation since 2012** — zero career gap, zero vessel type change across 13+ years of continuous service

›› **US C1/D Visa holder — valid June 2027** — eligible for unrestricted US port calls, Gulf of Mexico and East/West Coast operations

›› **Full STCW command-level certification** — incl. GMDSS-GOC, Advanced Fire Fighting, Medical Care on Board, Dangerous Cargo, HELM-M

›› **Proven track record in complex oversized project cargo** — offshore structures, luxury yachts, wind-energy components, heavy industrial equipment
