PROFESSIONAL SUMMARY

Experienced Heavy-Lift Master with uninterrupted service on heavy-lift vessels since 2012, including over **13 years of specialised experience** in heavy-lift and project cargo operations. Promoted to command as **Master** in 2024, with multiple successful contracts on semi-submersible and heavy-lift multipurpose vessels. Extensive expertise in handling **complex, non-standard and oversized cargoes** worldwide, including heavy-lift loading and discharging operations, stability and ballast management, and precise cargo securing and lashing. Confident in close cooperation with Owners, Charterers, Marine Superintendents, P&I Surveyors and Port Authorities. Safety-oriented leader with calm, decisive judgment under pressure. Actively seeking long-term engagement on heavy-lift / project cargo vessels worldwide.

CORE COMPETENCIES

- Heavy-Lift & Project Cargo Operations
- Cargo Securing, Lashing & Stowage
- ECDIS Operation (Management Level)
- Bridge Team & Resource Management
